**You may have heard that club member Tracey Hallett has been involved in a serious car accident and is in hospital. Tracey has been loyal member and I have passed onto to Guy and Dakota our wishes and prayers.**

### A Note from the Instructors:

*Nominations for the Dressage and Combined Training day close on the 10<sup>th</sup> of March so people need to give Mark their nominations and pay by then, if they would like an info about what classes etc they can contact Wendy or any of the instructors.*

*If they let me know what class/es they are doing we can try and get those that are competing at the event to practice their tests at the*

### **IMPORTANT INFORMATION FOR MEMBERS:**

**March Meeting:** Monday Night 14<sup>th</sup> March, 2011, 7.30pm at the club house unless otherwise advised. All members over 18yrs welcome. Please confirm your attendance to Helen & Paula because if we don't have the right people there it is a waste of time.

**Next muster will be on Sunday the 6<sup>th</sup> March starting at 9am. Don't forget you get muster points towards the end of the year based on Horse, Equipment and Dress.**

**Next month 26<sup>th</sup> / 27<sup>th</sup> March we need helpers both Sat and Sun for the Dressage/Combined Training day for setting up and on the day as this is our day and won't have helpers from the zone – so please pencil these dates in your diary. All help is greatly appreciated!!**

**Reminder – 18<sup>th</sup> – 20<sup>th</sup> April Zone 2 camp.**

**\*\*\*An email will be sent out by 7:30am Sunday morning if the rain has continued to let you know if we are holding a wet muster.**

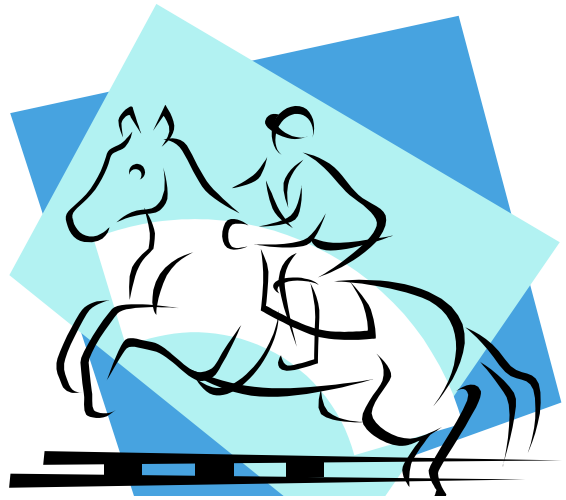

**A wet muster is without horses but plenty for riders to learn and to do, this is a good opportunity for us to teach the riders about other aspects of horsemanship and horse care which we normal don't get to do.**

**If the weather is good we are hoping to get a dressage arena set up out the back for riders so would require some parents help to get these set up Sunday morning before muster starts as well as some sporting events. Please see Mark.**

# PRESIDENT'S REPORT

March 2011

## GREENBANK PONY CLUB INC.

*It has certainly been a busy start to our year, with Sign on Day, First Muster, Hosting Zone 2 Equitation and Show Jumping Championships all in our first month back.*

*I would like to express my many thanks to all those members who have assisted us in preparing the grounds during the working bees, setting up equipment, helping out in the canteen and running of the Zone 2 Championship. You have all done a great job and the club thanks you.*

*Through your recent efforts, I believe we have had the grounds in excellent condition and the set up for the Zone 2 Day was faultless, our club looked professional and the canteen did a fantastic job raising funds.*

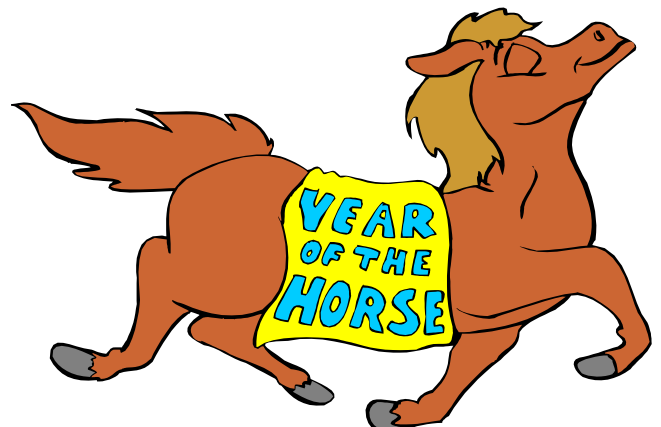

*With our unofficial and official combined training and Dressage Day towards the end of March, we will once again be calling for assistance from members to help out. Please remember your help on this day will assist us in raising funds which means improved equipment and memberships kept down. On our first Muster Day it was pleasing to see a mix of old and new members and this all goes well for the clubs future.*

*Hope to see you all on SUNDAY, I'LL BE THERE*

*Greenbank Pony Club Inc.*

*Mark Harrison*

*President*

In 2011 we intend on doing a members wall and have pics of members and their mounts accompanied by names on our canteen walls. This will enable a growing club to be more familiar with each other. Please notify us of any concerns you may have with regards to this new practice and we will endeavour to follow your requests of privacy.

**Set up day: 26<sup>th</sup> March, 2011      Time: TBA**

The bylaws state rules regarding your requirements as a member, please read these and be familiar with our practices.

**Competition Day: 27<sup>th</sup> March, 2011**

If you are not riding you are still required to assist in the undertakings of the day in some way.

**Canteen Volunteers Calendar:**

It was decided at our AGM that a roster system would be used for the canteen staff. This is also covered in our Bylaws - if you wish to select a date or event you wish to assist on please send in your pledged dates to be posted on our calendar. This calendar will be accessible for all members to view and allows members to work around family and competition commitments.

*The zone 2 Camp this year is on the 18 - 20th April at Beaudesert.*

*This is a great school for riders especially the less experienced riders or those on young horses.*

*The riders can get alot of confidence from being in the saddle for 3 days.*

*There is usually about 5 hours per day jumping, dressage (in a ring with letters), sporting, horsemanship, & campdraft or polocrosse*

*Kyle did his first camp at the age of 4yrs and loves it, it is one of the main reasons he came back to pony club this year with his non riding bother also wanting to go to camp as they wish to meet up with friends they have made at previous camps.*

*We have been advised the cost will go up this year and there will be a cut off of 100 riders so we will want to get our noms in early and to get good stable allocations.*

*Cost maybe about \$150 per rider but I am guessing.*

*Please keep the date a side and start saving, it is usually best to arrive the morning of the day before but not compulsory.*

*Noms & money will have to be in about a month before I think as it is a big school to organise.*
